□Suicide is painless

And I can take it or leave it
If I please□

□Suicide Is Painless
Through early morning fog I see
The visions of the things to be
Their pains are all withheld from me

I realize□and I can see that

Suicide is painless

It brings on many changes

And I can take it or leave it.

If I please

The game of life is hard to play

I'm gonna lose it anyway

The losing cards are ill some day lay

So this is all I have to say

Suicide is painless

It brings on many changes

And I can take it or leave it

If I please

The sword of time will pierce our skin

It doesn't matter where it begins

But as it works its way on in

The pain grows stronger watch it brim

Suicide is painlessIt brings on many changes

And I can take it or leave it

If I please

A brave man once requested me

To answer questions that are key

Is it to be□or not to be□

And I replied oh why ask me □

Suicide is painless

It brings on many changes

And I can take it or leave it

If I please

And you can do the same thing
If you please□
